

BRK

10 Performance

What it is:

- An all-natural Velvet Antler Extract supplement for Canines designed to keep your dog feeling his best!

Why take it:

- **BRK** enhances your pet's joint health, energy, and overall vitality.

How it works:

- **BRK** combines with high-quality velvet antler from our elk farms with liver extract to add important nutrients like vitamins, minerals, amino acids, and glycosaminoglycans to your pet's diet that are often lacking in the typical dog food.

Who should take it:

- This supplement is great for all dogs whether they need relief from suffering from fatigue and joint pain or you just want to provide your dog with the nutrients he needs to stay strong, active and healthy.

Dosage:

- Mix ½ teaspoon with your dog's food, twice a day.

Ingredients:

- Velvet Antler Extract: The purest form of Bio-identical growth factors on the planet. Studies have demonstrated extremely enhanced wound healing effects and muscular injury recovery.
- Dried Elk Liver: A nutrient-rich organ meat that provides your dog with protein, fat and vitamin A. Dried elk liver is also a good source of copper, iron, niacin, phosphorus and zinc which also provides many B Vitamins, omega-3 & 6 fatty acids, and essential amino acids.
- Pumpkin Extract: Assists with digestive and urinary health. It is high in Vitamin A, Beta-Carotene, Potassium and Iron.

FAQ's:

- Can I use this supplement for my cat?
 - If your cat chews bones! Lol.
